Hair protection directions:

- 1) Wash your hair clean and dry it completely before applying the weave.
- 2) When washing, use gently running water, lightly rub hair and scalp.
- 3) To maintain curly hair or wet look, lightly apply gel mouses, or oil sheen, oil sheen is not recommended for bonded hair, oil may cause weave to slip out.
- 4) When combing, always comb bottom of hair first and work your way up to the root.
- 5) When removing, please always consult your professional beautician.
