Our Product Introduction

Product Description

Natural white Yak hair in bulk,12" x 500g Yak hair
Yak is often used to fill in human hair wigs And is the premium fiber for Clown wigs
Yak hair is a bit fuller than human hair or goat mohair
Bulk Yak is not sewn these are bundles used for implanting ,knotting or glueing hair in place , the hair is tied as shown not sewn at the top
coarse texture this is heavyer like coarse human hair with a very slight crimpy texture
Wave is super this has a more fluffy texture each hair has a slight wave

This is really wonderfully luminecent
This has not been straightened
This is prepared for dye , does not have the conditioning glaze (it interferes with dyeing)

hair length 12", also availavle for other length

Full pack - this hair comes in 500 gram packages (weights do vary a bit pack to pack)

This Hair is washable and combed
. . It is a nice clean as there is no vegetable matter or waste with .
